amendment sanctuary and three counties have approved a resolution. Mr. Aultz would like to propose Otoe County approving a similar resolution and presented letters of support from Senator Clements and Senator Slama. There was discussion about this item being a county board decision without having more information/opinions from more Otoe County citizens. There was a concern of approving resolutions of this nature and setting a precedence for future issues. Chairman Sornson stated that the request would be tabled at this time and may be revisited at a future meeting.

Commissioner Freshman presented the following road and bridge report in Jon Brinkman's absence: Project (579) located at G & 2 East – seeding and rocking is needed to complete the project, should be completed this week; Project (589) located at J & 52 South – box is poured and will be backfilling the box this week. The East and West crews have burned and buried brush piles at numerous locations; backfilled culvert at O & 2 East; blading and hauling rock to projects and trouble spots. Commissioner Sornson stated that Otoe County had several CBMP projects approved in District 5.

There being no further business to come before the Board at this time, and since all items on the agenda have been disposed of, Chairman Sornson declared this meeting adjourned at 9:15 a.m. The next regular meeting will be held on March 24, 2020.
